

Third SERISS training course on Measurement quality and correction for measurement error

[SERISS](#) announced a new training aimed at Doctoral Candidates at all stages, Postdoctorates from Humanities and Social Sciences and quantitative research practitioners

The course will outline the issues related to measurement error in survey research and the subsequent consequences for the results of the research.

The third SERISS training course will take place at the University of Ljubljana in Slovenia on 26-27 February 2018. The training session will be delivered by [Diana Zavala-Rojas](#) and [Wiebke Weber](#) of the [Research and Expertise Centre for Survey Methodology \(RECSM\)](#), Universitat Pompeu Fabra in Barcelona, Spain.

There are no tuition fees. **The deadline for applications is Monday 4 December 2017.** The results of the selection will be known by 15 December 2017.
